

Complete Client Demo & Testing Guide

Comprehensive step-by-step verification guide for all platform modules, workflows, and permissions.

1. Demo Login Credentials

Role	Portal URL	Demo Email	Password	Access Capabilities
 Admin / Mentor	/login	admin@ravishingarthub.com	admin123	Full control over 30 courses, live classes, attendance rosters, level pricing, badges, student CRM, artwork grading, and sales analytics.
 Student (L0 Fast Start)	/login	Any registered student	student123	Foundational video courses, daily routine checklist, XP gamification, Community Win Wall, Webinar Hub.
 Student (L1 Silver)	/login	Upgraded student	User password	5 Core project courses (Coasters, Marbling, Ocean Waves) + Live Classes & Attendance XP.
 Student (L3 Diamond)	/login	Upgraded student	User password	All 30 Master courses (Tables, Bridal Varmala, Reels Mastery) + Northstar Revenue Tracker.

2. Step-by-Step Module Testing Guide

MODULE 1: PUBLIC FUNNEL & WEBINAR LEAD CAPTURE

URL: [/](#) (Landing Page) & </thank-you> (Thank You & Direct Fast Track Upgrade)

STUDENT / VISITOR EXPERIENCE:

- 1 Open the landing page ([/](#)), explore the interactive Canva presentation, student reviews, and dynamic social proof notifications.
- 2 Fill out the **Free Webinar Registration Form** (Name, Email, WhatsApp Phone, City, Art Goal) and submit.
- 3 Instantly redirected to **Thank You Page** (</thank-you>) with **Option 1 (Fast Start Bundle ₹499 via Razorpay)** or **Option 2 (Join VIP WhatsApp Group & Prep Video)**.

ADMIN EXPERIENCE (</admin/webinar>):

- 4 Open **Webinar Leads CRM** to view the newly captured student lead in real-time with phone, city, and challenge notes.
- 5 Schedule new webinars, set date/time, Zoom meeting URLs, and VIP WhatsApp group invites.

MODULE 2: STUDENT DASHBOARD & DAILY GAMIFICATION

URL: </student/dashboard>

- 1 **Daily Routine Checklist:** Check off daily habits (e.g. *"Mix resin with 3:1 ratio"*) → XP increments immediately (+25 XP per habit).
- 2 **Community Win Wall:** Post artwork photos, first sales achievements, and like/comment on fellow student posts in real-time.
- 3 **XP & Streak Progress:** Displays active login streak, rank title, and points progress bar.

MODULE 3: SEQUENTIAL 30 COURSES & DIRECT TIER UPGRADES

URL: `/student/courses` & `/admin/courses`

- 30 Curriculum Courses:** Structured sequentially across 4 levels (L0 Fast Start: 3 courses, L1 Silver: 5 courses, L2 Gold: 4 courses, L3 Diamond: 18 courses).
- Direct Tier Upgrades:** Locked courses feature a "🔒 **Purchase & Unlock Tier**" button connected to Razorpay, allowing students to skip sequential levels at any time.
- Admin Course & Pricing Controls:** Admin can edit video URLs, re-order lessons (`/admin/courses`), and adjust live tier offer prices (`/admin/levels`).

MODULE 4: ONLINE CLASSES & LIVE ATTENDANCE TRACKING

URL: `/student/classes` & `/admin/classes`

- Student One-Click Join:** Student clicks "🖥️ **Join Live Class & Mark Attendance**" → Automatically logs attendance in database, awards **+50 XP**, and launches Zoom room.
- Admin Live Attendance Roster:** Admin opens `/admin/classes` → Clicks "**View Attendance Roster**" to see all attended students with join timestamps, email, and tier badge.
- Replays:** Concluded classes display a "**You Attended**" badge and allow students to watch recorded class video replays.

MODULE 5: DEDICATED WEBINAR MASTERCLASS HUB

URL: `/student/webinar`

- Lists all live webinars scheduled by the Admin with live countdown timers and seat availability.
- Includes direct buttons for **Join Live Zoom Webinar**, **Join VIP WhatsApp**, and **Watch Prep Video**.

MODULE 6: BADGES & GAMIFICATION MANAGEMENT

URL: `/admin/badges`

- 1 Admin creates custom badges with emojis (🎨, 💰, 💎, 👑, 🔥, 🌊, 🌸, 🕒), custom titles, color palettes, and XP requirements.
- 2 Admin awards badges to **All Students in 1-Click** or to specific students.

MODULE 7: ARTWORK SUBMISSIONS & MENTORING CENTER

URL: `/admin/mentoring`

- 1 Students upload finished artwork photos directly within course modules.
- 2 Admin reviews artwork on 6 core criteria (Resin Basics, Mixing, Colour Theory, Finishing, Creativity, Professional Quality), submits critique, and awards **+500 XP**.

MODULE 8: NORTHSTAR REVENUE & BUSINESS TRACKER

URL: `/student/northstar` & `/admin/sales`

- 1 Students calculate 90-day income projections based on resin clock and table pricing.
- 2 Students log customer invoices; Admin tracks student business milestones across ₹10,000, ₹50,000, and ₹1,00,000 tiers.

3. Platform Dynamic Data Audit

Module / Feature	Dynamic Status	Backend Architecture
Authentication & User Accounts	✔ 100% Dynamic	JWT Token + PostgreSQL <code>Users</code> Table
Webinar Leads & Event CRM	✔ 100% Dynamic	<code>WebinarRegistrations</code> & <code>WebinarEvents</code> Tables
30 Curriculum Courses & Lessons	✔ 100% Dynamic	<code>Courses</code> & <code>Chapters</code> Tables
Live Level Pricing & Razorpay Keys	✔ 100% Dynamic	<code>LevelTiers</code> Table + Razorpay Gateway API
Online Classes & Live Attendance	✔ 100% Dynamic	<code>LiveClasses</code> & <code>ClassAttendances</code> Tables
Badge Creation & Direct Awarding	✔ 100% Dynamic	<code>Badges</code> & <code>UserBadges</code> Tables
Daily Routine & XP Points System	✔ 100% Dynamic	<code>Users.xpPoints</code> & <code>Users.points</code> DB columns
Mentoring Reviews & Portfolio Grading	✔ 100% Dynamic	<code>Portfolios</code> & <code>Skills</code> Tables
Community Win Wall & Social Feed	✔ 100% Dynamic	<code>CommunityWins</code> Table
Student Sales & Revenue Milestones	✔ 100% Dynamic	<code>SalesRecords</code> & <code>Milestones</code> Tables
